## ATCO EQUIPMENT LOANER PROGRAM PAGE:

One of many ways ATCO supports the community is by offering a variety of special event equipment free-of-charge for community event organizers. By using our loaner equipment, ATCO is helping event organizers reduce their rental costs all the while providing equipment that helps ensure a successful event.

The donation of “equipment in-kind” can be made in lieu of, or in combination with, a cash sponsorship or as part of an employee volunteer effort. When loaning out our equipment, ATCO receives recognition for the equivalent value of renting it and/or transporting it to the event.

All requests must be received in writing – link to new grant system (<https://grantstream.com/ATCO/form/default/en/>).
