

# What's COOKING

**EDMONTON  
KITCHEN**

## MARCH

### EVENING CLASSES

The class will be a combination of demonstration and hands-on. Food & beverages are served at each class. Copies of the featured recipes will be distributed.

---

#### HANDS-ON: INTRO TO SUSHI

Most of us think of sushi as something to order in a restaurant, but it's actually something fun that you can make at home. Join us for this hands-on class and learn how to roll sushi in your own kitchen.

**\$65 | 6 – 8PM | Thursday, March 5**

#### HANDS-ON: COOKING WITH BEER

If you love the flavour of beer, try cooking with it — it adds a lot to so many different kinds of dishes. In this class, we'll make both sweet and savoury recipes with beer (like our Canadian Beer Biscuits) and pair each one with a beer sample.

**\$65 | 6 – 8PM | Tuesday, March 17**

### WEEKEND CLASSES

The class will be a combination of demonstration and hands-on. Food & beverages are served at each class. Copies of the featured recipes will be distributed.
